BENTON HIGH SCHOOL VICTORIOUS IN FAST GAME, 27-20.

LARGE CROWD ATTENDS

Game Remarkably Clean, Only Twelve Fouls Being Called, Six for Each Team.

Before the largest crowd attending a High School game this year the Maryville High School team went down to a 27-20 defeat in a hotly contested game with Benton High School of St. Joseph.

Both teams played fast basketball. In spite of the fact that both teams were out for blood, the game was remarkably clean, only twelve fouls being called, six on each team.

Lichtenberger of St. Joseph and Director Hanson of the Normal officiated, and there was no complaint whatever. The attitude of the crowd also was sportsmanlike, no hooting, no hissing, just enthusiastic high school rooting.

The game started shortly before 8:30 o'clock after a short preliminary game between the Freshmen and Sophomore teams of the High School. The Maryville team lined up in the usual way except for the substitution of Hutchison for Egley who was under the doctor's orders not to play. Neither Condon nor Pickens were in shape to play, and predictions were freely made that Maryville would be swamped.

But in spite of the loss of their all-star goal-shooter and the poor condition of others, the Maryville five were in there fighting from the time when Referee Hanson opened the game until the timers declared it at an end. Most teams, under the same condition, would have been "toes up" even before the game started. But not so with the Maryville quintet.

It was two or three minutes before either side scored. Then Thrailkill of Benton put his team two points in the lead with a field goal. The count was tied when Hutchison eluded his guard and slipped in a basket for Maryville. A moment later Holmes made another and Maryville was in the lead, 4-2.

Then something broke loose. When the smoke had cleared away it was seen that the Benton five had made five field goals and were away out in front. Then Maryville recovered and from that time forth, they played rings around Benton on floor work. Except for that momentary streak, Maryville not only outplayed Benton but also scored more points.

During the rest of the half Maryville scored seven points to Benton's four. The score then stood 16-9 in favor of Benton.

In the second half Maryville started with a rush. They scored the first goal and kept the ball in their possession most of the time. Time and again the ball was worked within shooting distance, but Egley wasn't there to make the shots good. Both teams scored eleven points in the last half. The final score was 27-20.

The most notable feature of the game was the playing of Groppe for Maryville. Pitted against the highly touted Cole, the star of the Benton team, he scored five field goals and bore the brunt of the floor work for Maryville.

Holmes shot two field goals and got two free throws out of six chances. He also played a good floor game. Hutchison and Woodward each made one field goal. Martin and Condon, who replaced Hutchison in the last part of the game, failed to score but both played good floor games.

For Benton, Thrailkill was the heaviest scorer. He made six field goals, all in the first half. Cummings shot two baskets and made one foul goal out of four chances. Cole scored five field goals and missed two free throws.

The line-ups for the two teams were as follows:

Maryville—Forwards, Holmes and Hutchison; center, Groppe; guards, Woodward and Martin.

Benton—Forwards, Thrailkill and Cummins; center, Cole; guards, McCauley and Hamilton.

Substitutions: Maryville, Condon for Hutchison. Benton: Utz for McCauley.

Officials: Hanson and Lichtenberger.

WILL TAX INSURANCE MEN

City Council Orders Ordinance Drawn Up in Order to Increase City's Revenue.

An ordinance to tax the insurance companies operating in Maryville was ordered drawn up last night by the City Council at the regular meeting last night. This is one of the measures to be adopted by the city to increase the revenue so that the expenses may be met.

The "City Fathers" also ordered Ordinance No. 441 to be revised and to cover all vehicles in the City of Maryville.

The police report showed that eight arrests had been made during the month of February. The other reports were as follows:

Mayor Robey reported $146.75 turned into the different funds during February.

The street commissioner reported that the expense for keeping up the streets during the month of February was $26.50.

The city collector reported $884.95 collected.

The city weighmaster said that $12.81 had been collected by him.

SIGNED ATTRACTION FOR FAIR.

Manager A. O. Mason is Busy Getting Free Attractions for the Fair.

A. O. Mason, manager of the Maryville Nodaway County Fair, announced this morning that he has signed up Blanche McKinney Hunter and her trained horses for the fair, which is to be held the week of September 3 to 8. He made the following statement regarding the short ship circuit:

"Why should we change our fair dates? For the benefit of our friends and patrons, we want to make known to the public why we don't care to change the fair dates. In the first place we follow the Des Moines fair; second, it is labor week; third, it is the best time in the year to have the fair. If we had it sooner our farmers would not be ready for it.

"After the first year we were in the Southwestern Short Ship circuit, for the purpose of being benefitted as to getting horses from that circuit, but after being in it two years we found out that we were to a great expense and received no benefit from it, for the reason that the fair started at Corning, then Bedford, Clarinda, Shenandoah, which was the last meeting in the circuit that had any runners, then came Malvern without any gallopers, only a few harness horses and by the time it reached our dates the horses would be scattered so we never did receive any horses from that circuit.

Therefore we did not go to the meeting, did not care to belong to that circuit any longer We are in better shape for race horses, harness horses than ever before as our dates do not conflict with any of the best fairs, as we follow the following week of the best fairs in the Northwest, being Des Moines, Pattonsburg, Trenton, and even Maitland, the week before ours. Then comes Bethany following, then Brookfield. With this explanation we hope our friends will understand it. We have already contracted for quite a good many free attractions."

MISSOURI'S WEALTH INCREASES.

Value of Real Estate and Personal Property $69,618,553, This Year.

Special to The Democrat-Forum.

Jefferson City, Mar. 3.—The valuation of real estate and personal property in Missouri has increased $69,618,553 within the last year, according to tax assessor's figures presented to the state auditor's office here yesterday. These show the present value to be $1,771,556,075. The reported increases are largely upon city property.

ORCHESTRA COMING HERE APRIL 17 AND 18

ARRANGEMENTS MADE FOR APPEARANCE OF ORCHESTRA.

P. O. Landon Sent Word to Company Refusing Contract But Terms Were Finally Agreed Upon.

The Minneapolis Symphony Orchestra will come to Maryville April 17 and 18 according to arrangements made today between Wendell Heighton, manager of the orchestra, who was in Maryville, and P. O. Landon.

Professor Landon sent word to the company yesterday that owing to the lack of support Maryville would not have the orchestra this year. But when Mr. Heighton came today terms were agreed upon which will make possible the appearance of the orchestra in Maryville.

The concerts to be given by the orchestra will probably be given in the Normal auditorium. A concert will be given on the evening of April 17, a matince concert on the afternoon of April 18, and an evening concert of April 18.

There are fifty-four members of the orchestra, which is supported by the citizens of Minneapolis. They have been making a tour of the Pacific coast states and are now on their way back east.

MUST DECIDE BAND MATTER

Maryville Commercial Club Will Discuss Plans for Keeping Fourth Regiment Band Here.

Maryville will have to decide and decide quickly whether she intends to keep the Fourth Regiment band in Maryville. The matter will be taken up at the meeting of the board of directors of the Commercial club at their luncheon Monday, and it is hoped that some plan may be devised to arrange for the band permanently in Maryville.

Bandmaster T. B. Maulding is anxious to remain in Maryville, and feels that with time and effort, the band could be recruited to its full strength, and made as good as it is at present after the practice on the border. But he will have to have a salary before he will consent to remain in Maryville.

St. Joseph is anxious to have the band, and didn't want Mr. Maulding to consider Maryville in looking for a location for the band, but the bandmaster is well satisfied to live in Maryville and wants her to have the first chance to keep the band.

The boys made a very favorable impression while they were in Maryville during the home-coming reception, last Thursday and their concert was highly appreciated. The business men of the town immediately began to talk of the possibilities of keeping the band here, and it is probable that they will heartily support any movement launched by the Commercial club for this purpose.

MAKE A SUCCESSFUL SALE

F. C. Barber and Sons Sell 27 Head to Texas Cattle Company.

F. C .Barber and sons of Skidmore made a most successful sale yesterday when they disposed of twenty-seven head of Shorthort cattle at the S. M S. Texas Cattle Company of Stanford, Tex. The cattle consisted of cows, heifers, bulls and calves, and are said to have brought the biggest prices received in the vicinity of Skidmore for some time. The Barbers are having exceptionally good luck with their herd and are rapidly climbing to a top place among the Shorthorn breeders of Nodaway county.

Mr. Dougan Returns.

Mike Dougan, deputy county clerk, who spent several days looking after business interests in Clarks, Neb., returned to Maryville yesterday afternoon.

About eighty teachers are writing on the examinations which are being held at the Maryville Business College today. Seven new teachers arriving for today's quizzes. They are Claire Davis of Ravenwood, Ruth Miller of Blanchard, Ia., Nora and Margaret Felix of Clyde, Blanche Bloomfield of Ravenwood, Hattie Hutchison of Hopkins and Grace Norris of Maryville.

MAY JOIN ENTENTE OFFER INDUCEMENTS

CHINA ASKED TO CAST HER FORTUNES WITH THE ALLIES.

Remission of the Boxer Indemnity and Revision of Tariff is Promised To Her.

Special to The Democrat-Forum.

Pekin, Mar. 3.—The course that German-American relations take within the next week undoubtedly will have much to do with the success of the Entente's efforts to bring China into the war against Germany. A definite promise by the Allied powers that the Boxer indemnity payments will be suspended during the war has strengthened the Allies' cause materially, but many officials advise the governments to await action by the United States.

Peking, March 3.—The French minister and the Belgian charge d'affairs, representing the Entente allies, have invited China to enter the war, offering her remission of the Boxer indemnity and a revision of the tariff as inducements. A cabinet crisis is imminent. The vice-president and the premier are urging China to join the Entente.

The president is receiving much criticism for opposing immediate action. He gave out an interview today saying he preferred to act with the United States and other neutrals, but that he was willing for China to join the Entente if parliament approves.

Dr. Wu Ting Fang has resigned the portfolio of foreign minister, assigning deafness, the result of a recent illness, as the cause.

Washington, March 3.—Negotiations looking to China's entrance into the war against the Central powers now are in progress at Peking and in all the Entente capitals, it was learned here yesterday and their success depends only upon the harmonizing of the reward with the amount of co-operation demanded. It is regarded as practically certain that China will sever relations with Germany and declaration of war probably will follow if the Entente will guarantee sufficient relaxation of the restrictions imposed after the Boxer troubles.

Facts learned yesterday from official and diplomatic circles serve to clear up the obscurity which has overhung recent vague dispatches from China and references in the Reichstag to "China's abandonment of neutrality."

China desires to secure the complete remission of the Boxer indemnities, which total over $30,000,000 a year and continue until 1940. If she entered the war, the part which otherwise would be paid to Austria and Germany could be repudiated. Information here indicates that the Entente already has agreed to postpone payments in case China begins hostilities, but does not corroborate Tien Tsin advices that the powers have offered complete remission. The sum involved is such an appreciable part of China's total expenses that a satisfactory agreement might well remove her financial difficulties.

China also desires consent to increase her import duties, which the existing treaty limits to 5 per cent ad valorem on the average prices of 1897, 1898 and 1899. The United States has long urged this on the other sixteen signatory powers, but so far only Japan and Great Britain have given full consent.

The Entente powers on their part are anxious to have China in the war, not only as a reservoir of men, but as the biggest open trade market after the war. Already more than 100,000 Chinese laborers and agriculturists have gone to increase the Entente's man power, the great majority to France.

2 MORE RECRUITS LEAVE.

Dale Hadley of Iowa and Charles Ellis of Conception to Enter U. S. Army.

Two more recruits, Dale Hadley of Iowa and Charles Ellis of Conception left last night for Jefferson Barracks, St. Louis, where they will enter the United States Army. Mr. Hadley will join the infantry and Mr. Ellis will join the quartermaster's corps as auto driver.

Captain O. R. Cole, assisting recruiting officer at the Kansas City station, visited Maryville last night and praised the local recruiting officers for their work. He said that if the enlistment continued, Maryville would be made a central recruiting station.

HIS OWN SUCCESSOR

PRESIDENT WILSON WILL TAKE OATH OF OFFICE TOMORROW.

EXCITEMENT IN SENATE

Never Since the Spanish-American War Days Were the Members So Wrought Up.

Special to The Democrat-Forum.

Washington, Mar. 3.—The President will take his oath of office as his own successor at noon tomorrow. The President signed the emergency revenue bill at the White House today. The measure carries $450,000,000 for the depleted treasury.

Debate Waxes Warm.

Washington, Mar. 3.—The debate in the Senate this afternoon on the arming of American merchantmen bristled with warlike utterances. Senator Fall of New Mexico, urged an open declaration of war within fifteen minutes. Senator Brandegee of Connecticut, declared that Germany had already in effect declared war on the United States. He advocated giving the President full power to carry hostilities to a successful conclusion.

Not since the Spanish war days has the Senate been in such a scene of excitement. Senator Brandegee dramatically said, "Our honor and our liberty is at stake, and the country that won't fight for them deserved to perish. I believe that this country will fight." Extra guards were necessary to hold the crowds back.

Military Attache Killed.

Washington, Mar. 3.—Major Elvin R. Heilberg, the American military attache to the embassy at Rome, was accidentally killed while making a tour to one of the Italian battle fronts, the war department was notified today.

The President signed the postoffice appropriation bill containing an amendment which bars from the mails publications containing liquor advertisements.

Mrs. John Dawson Ill.

Mrs. John Dawson was taken to St. Francis hospital last night and was operated on by Dr. Will Wallis and Dr. C. T. Bell. Her condition is extremely serious.

Files Maintenance Suit.

Mattie Lanning filed suit in the office of the circuit clerk today for separate maintenance. She charges that her husband, Bert Fanning, abandoned her, and prays that the court allow her $40 a month for maintenance and see that reasonable security be given that the money will be paid.

C. C. Leeson spent yesterday in Shenandoah on a business trip.

BAPAUME CAMPAIGN

BRITISH GENERAL TRIES HARD TO FORCE GERMANS OUT.

A ZEPPELIN BLOWS UP

German Air Craft, On Trial Trip Destroyed, Ten of Its Crew Being Burned Alive.

Special to The Democrat-Forum.

London, Mar. 3.—General Haig has begun a campaign to squeeze Germans out of Bapaume. North and south of the German stronghold the British are attacking in an effort to throw a noose about the town and to force its evacuation, using the same tactics employed so successfully by the French and British in the capture of Combles. Today's dispatches from the front confirm yesterday's reports that Germans halted their retreat and were making a stand.

New Zeppelin Blows Up.

London, Mar. 3.—One of Germany's newest Zeppelins blew up while making a trial trip over Belgium Monday. Ten of its crew were burned alive, according to Amsterdam dispatches.

Will Mistreat French Prisoners.

Berlin, Mar. 3.—Declaring that France had failed to heed Germany's protest against the ill treatment of German prisoners, War Minister Stein announced in the Reichstag today that they would take counter measures against French prisoners at once.

Seeking German Submarines.

Havanna, Mar 3.—A United States destroyer is searching the adjacent waters because of an unconfirmed report that German submarines are lurking in the vicinity.

Mrs. Black's Cousin Dies.

Mrs. R. M. Black of Maryville received word this morning of the death of Judge H. E. Deemer of Red Oak, Ia., who died Tuesday morning following a two weeks' illness. Mr. Deemer is judge of the supreme court of the state of Iowa and is a cousin of Mrs. Black.

GERMANY ADMITS TRUTH OF CHARGES

ZIMMERMAN TRIES TO JUSTIFY ACTION TO UNITED STATES.

HE SAYS THAT WE TRIED SIMILAR PLAN

Declares That Our Government Attempted to Align South America Against Germany.

Special to The Democrat-Forum.

Berlin, Mar. 3.—Virtually admitting the truth of the charges made in the United States that Germany plotted to secure the aid of Mexico and Japan in the event of war with the United States, Foreign Secretary Zimmerman today justified such action on the ground that the United States tried to array the Southern Republics against Germany.

The Secretary's admissions were contained in a statement made to a staff member of the Trans - Ocean News Agency. He didn't deny or confirm the authenticity of the so-called "Zimmerman" letter, purporting to contain his own proposal to the German Minister in Mexico City that asked Carranza to persuade Japan to join in war on the United States in the event of hostilities. He asserted that such a course was thoroughly justified not only as a precautionary measure, but also because the United States made a similar attempt to array other countries against Germany.

No Response From Officials.

Washington, Mar. 3.—The attempted justification by foreign minister Zimmerman of Germany's efforts to line up Japan and Mexico against the United States found no response in official circles today. The insinuations by Zimmerman that there was justification in the activity of the United States in South America, met with a sharp denial by the government who has facts to show that Zimmerman's accusations are utterly false. These records hav been open to the entire world for months.

HIGH SCHOOL NOTES

By "Press"

Maryville High School has now joined the ranks of schools with permanent school pins. The pin committee which was formed at the beginning of the term to select suitable designs reported Wednesday morning and submitted several designs for the consideration of the student body. A vote was taken which resulted in favor of a pin designed by Lieber Holmes of the Holmes Jewelry company.

The design chosen is a reproduction of a portion of the front of the High School building including the two towers and the front entrance. The letters M. H. S. and the numbers '17 are embodied in the design. The board of education will sign a four year contract with the manufacturers of the pin.

The High School orchestra which has been practicing under the direction of Miss Dora Carpenter gave a program at assembly Thursday afternoon. The four numbers they played were so enthusiastically received by those present that they were forced to respond to an encore. The orchestra is better now than it has ever been, and visitors present were very much impressed.

The program given was as follows: March, "U. S. Cavalry;" Overture, "Magic Fire;" Descriptive March, "Got 'em;" One-step, "Levee Land;" One-step, "Whistling Rufus;" (encore)

A pep assembly was held Friday afternoon at which the plans were completed for the parade advertising the game with Benton High of St. Joseph The parade was formed at the Burlington depot on the arrival of the special train from St. Joseph.

Clarence Cook in military uniform rode at the head of the procession as marshal-of-the-day. Other equestrians assisting him were Virginia Robinson, Mary Carpenter, Chilton Robinson, and Martin Lewis. The Dutch band followed in a big bus and then a long string of cars, Fords, and otherwise. The Benton delegation of 200 rooters brought up the rear.

COMMUNICATION

(A Farmer's View Point).

Editor Democrat-Forum:

We noticed in the Tribune of February 19, 1917, an article on beautifying the city in which it starts with a wail to remove the hitchracks the first thing. It says the hitch-racks were taken down once, but put back. I know the hitch racks were put back by the order of Judge Frank Rogers and to the joy of the farmers, who, by their thrift and enterprise made this city and keep it alive.

Mr. Hull says that some prominent business man declared there was no use in attempting a city beautiful as long as these relics (hitch-racks) of a forgotten age, were allowed to remain. I will promise you that they will stay.

There is nothing too good for the farmer, and to the farmers is the credit of the fine city of Maryville set on the hill so that her light might shine afar up and her good works be spoken of in other lands.

If the farmers should trade in the fine little towns of the county, and stay away from Maryville for a year, the bats and owls would be nesting in some of the business houses.

The horses are not all dead yet. You will find the hitch-racks at the court house and at all of the churches nearly full every Saturday, and plenty of horses at the court house every day.

In the Maryville Tribune of February 20, 1917, we see a squib giving a farmer's views on the hitch-rack question. We would like the names of the people the Tribune quotes, who say that the people of Maryville should vote bonds to buy a plot of ground for the hitch-racks for the farmers. The farmers are very well pleased with the racks where they are. We predict that the racks will stay where they are long after Brother Hull is called up higher.

No bonds will be voted for any such a purpose. I don't think you could vote a bond proposition for a cemetery unless the dead were lying around with no place to bury. The people have not forgotten the $50,000 bond issue, and the way the people worked to have it carry, and the way the money was used.

H. J. Major said that the hitch-racks should go. I would like to know what business it is of his. He commends the Commercial club for its efforts in making Maryville a beautiful place to live in. I would like to know what the Club does to beautify the city. None of the club members mows my park or clean my alley. I do that, and all of my neighbors do the same. We, the people, beautify the city, not the Commercial Club.

If the club wants something to do let them look on the different streets and they will find old wagons and other rubbish to be hauled away. In the good old summer time the club can find plenty of weeds along the streets making them look like jungles in Africa.

Mr. Major believes the hitch-racks are unsanitary. I don't believe a word of that. I will point out Reuben Young, Robinson Craven, Judge Blackford, Preston Seafers, Billy Workman, and many others that fed cattle for from thirty to thirty-five years and waded in their cattle lots off and on all winter and spring, half boot top deep in manure, and they are all healthy men and look as though they might live to be one hundred years old.

FITE AND HAWK ARRESTED

Two Men Arrested in St. Joseph In Connection With Theft of Motor Car in Omaha.

What is believed to be a far-reaching combination of automobile thieves whose operations embrace St. Joseph, Omaha and Kansas City, is being investigated by Chief of Detectives Johnson and his force since the arrest of Henry Hawk and Page Fite in connection with the disappearance of a car from Omaha Wednesday evening, says the St. Joseph News-Press.

The two men who are held at police headquarters were arrested yesterday afternoon at Eighth and Olive streets by Detectives eKlley, Duncan, Foster Watson, and Henley. They are alleged to have been in possession of a 1917 model Ford touring car, which bore a Nebraska license tag numbered 42489. They were headed for Kansas City, the police say, and all identification numbers on the car had been obliterated.

Chief of Detectives Johnson, who was in communication with Omaha authorities this morning, was informed that Hawk had just been released from jail there the day the car disappeared, having been convicted of a similar offense.

Late yesterday afternoon Chief of Detectives Johnson called the secretary of state's office at Lincoln, Neb., by telephone and was informed that the license number 42489 was recorded there in the name of J. Griffin. This led the police here and in Omaha to suspect that Griffin had merely taken out th license for use in this way. They think somebody is financing a gigantic scheme to steal cars and get them out of reach in a hurry, then sell them.

Rudolph Probst of Omaha, owner of the car found here, came to St. Joseph this morning and identified the machine.

An officer from Omaha is now on the way here with requisitions for the suspects. Hawk and Fite are both Missouri young men, it is said.

CONCEPTION COURIER.

Mr. and Mrs. Frank McGinniss, of Pickering, Ohio, left for their home Saturday, after a few days' visit at the home of the former's brother, J. B. McGinnis and family.

Miss Pauline Schafer, who has been visiting the past few weeks at the home of her uncle, A. M. Schafer and family, left last week for Mitchell, S. D., where she will begin a spring term of school next Monday.

RAVENWOOD GAZETTE.

Mr. Bruce Hanks of Memphis, Mo., has bought the S. P. Ross property, and will move here March 10. Mr. Hanks lived in this county a number of years ago and this entire community extends to him a hearty welcome. The price paid was $1,500.

Mr. and Mrs. J. E. Winslow loaded their car with household goods and farm implements and moved to their new home in Hamilton, Mo. Here's wishing them success in their new home.

CLEARMONT NEWS.

C. W. Foreman and Clark Brownfield, while hauling hay one day last week, had a load tip over with them. Clark got off with a few bruises only, but C. W. had one of his ankles so badly sprained and bruised that he has had to go around on crutches for several days.

F. L. Wiley and wife of St. Louis, arrived here Sunday to visit Mr. Wiley's parents, Dr. Wiley and wife. Mr. Wiley went to Kansas City Monday morning to attend the National Educational Association and will return here the last of the week. His wife remained here with his parents.

John Loomer, from near Sheridan, will farm the W. S. Wallace place west of town this year. He moved several loads of his goods here Friday, making the trip in one day, arriving here between 9 and 10 o'clock at night. Mr. Loomer is a son-in-law of Mr. Lewis, who recently bought the farm.

ELMO REGISTER.

H. W. Meek is moving this week from the Boone property to the Kinman property recently vacated by Geo. T. Clardy. It is a good place to live and handier to business than where they formerly lived.

In a talk with C. H. Kinman Monday, he expressed the opinion that the wheat crop is all right at present, he having made a pretty thorough examination It is to be hoped he is right about this, as a good wheat crop is needed. March is supposed to be the worst month, and if we pass that we may have a good crop.

J. D. Tudder brought in a Register dated March 16, 1894, from which we glean some items of interest. Dan R. Baker was the editor and owner, the paper was a four-page, six column sheet, with the inside of ready-print.

BARNARD BULLETIN.

The sale of George Sell was well attended Saturday and things sold well. Cows brought $130 and corn brought $1.05.

C. E. Goff was exhibiting a very wonderful diamond pin the other day. Pill Miller stole the dime and Charley has left only the pin now.

S. A. Roach tells a tale about Earl McCleave running a Ford into a ditch while coming from St. Joseph a week ago Sunday. Just why it was not told earlier, we suppose, is because his companions did not wish to hurt Earl's reputation as a driver.

Chance Parrish was in town Tuesday and said that he was planning an addition to his house just north of town. He further said that he was going to buy a car and get married. We cannot understand the last statement as he is not out for any township office, so it must be the truth. When it happens Chance, we will be the first to congratulate you.

BURLINGTON JUNCTION POST.

Mrs. L. L. Hart returned from Clarinda, Ia., Saturday, where she had her little daughter in the Kennelworth hospital for treatment for pneumonia. Mrs. Hart also suffered an attack of pneumonia a few weeks ago.

A railroad conductor at Decatur, Ill., is playing one hundred thousand games of solitaire. He is unmarried and spends his evenings at his club playing the game almost constantly. If that wouldn't make a lunatic of a man, we don't know anything that would.

Mrs. Mary Kinman is spending a few days at the home of her son, G. L. Yaple, while her household goods are being moved from Elmo to Braddyville, where she will make her home.

L. L. Hart sold seven Shorthorn bull calves from his herd this week to a Utah buyer for $1,500. The calves had never received any special care, being allowed to run in the lot with the other stock. They were of good breeding, however, which brought the high price.

Mr. and Mrs. Frank Sallee have moved from Maryville to the 80-acre farm they purchased recently of Ora Griffey near Wilcox.

SKIDMORE NEWS.

J. A. Britton, who purchased the J. C. Collins farm, northwest of town, moved there the first of the week.

Mr. Britton has been living southwest of Quitman.

J. E. Strickler returned from Colorado Tuesday, where he had been for several days buying hogs. He purchased four loads, which came in Monday. Only one load was received

Well, there isn't any of him yet, but our present governor seems to hold the club over the legislature to do his bidding until his pet measures are on the toboggan of success there will be four commissioners.

It looks as though the present administration is headed for something more than getting out, doning a pair of overalls and hollering up and down the state about good roads and nothing to build them with.

PARNELL SENTINEL.

Orlie Kidney, who used to mend shoes in Parnell about five years ago was a visitor Friday evening and Saturday morning. He has a homestead in Wyoming, but has been visiting near Denver for several weeks.

Mrs. Valeria Watts of Bogard, Mo., arrived here a few days ago on a visit of two or three weeks with her brother, Myron Hindman and family. This was the first time they had seen each other in fourteen years.

Mrs. Horace Jones arrived home Thursday noon from a few week's visit with relatives and friends in Juarez, Mexico, El Paso, Texas, Ft. Worth, Texas, and Cordell, Okla. She reports having a splendid trip.

HOPKINS JOURNAL.

George Porterfield is fifty-six years old but doesn't look a minute over forty-six. However, Roy McMullen says he plays "42" like an old man. Roy was at a party given by Mrs. Porterfield in honor of her husband's birthday, and knows how he plays the game.

Al V. Dresher, a former Hopkins boy, and a nephew of Frank Hamilton, north of town, has been appointed to the military staff of Governor Neville of Nebraska with the rank of colonel. Col. Dresher has made a wonderful success as a business man in Omaha and also takes interest in politics, being a pronounced Democrat but as he is young in years, there is a chance for him to outgrow his diseased political state of mind. Anyway, here's congratulations from an old friend, Colonel.

Chas. Bebout, the well known stock man, this week bought the H. M. Glass property, the old Philip Dale place, in east Hopkins, the consideration being $4,000. Mr. Bebout has been bothered with heart trouble lately and it is thought he will leave the farm and occupy the newly acquired property, thus being able to take the world a little less strenuous than he has during the last several years.

The Robert Hook property in east Hopkins that was put up at public sale last Saturday, was bid in by Harry Bollinger for his mother, Mrs. Ella C. Bollinger, the price paid being $2,860. The three acres of pasture land at the north edge of town was bought at private sale by Leonard Whitten, at $200 an acre.

GUILFORD TIMES.

Mrs. Linda Heffner of Wakena, Kan., came in Saturday evening for a visit with her uncle G. C. Covey and other relatives and returned home Tuesday. Mrs. Heffner came from her home nearly a month ago in response to information that her son up near Eaglesville, in Harrison county, was to be operated on for appendicitis and on his return home from the St. Joseph hospital she has been visiting around with friends in this section. Mr. Covey had not seen her in twenty years so her visit was marked with great interest by him and other kinfolks.

We read where Mrs. W. B. Gibson, wife of our popular auctioneer, had the misfortune to break one of her legs last Tuesday, week, which makes it doubly hard on her for the reason that she always was a cripple in that member. Between caring for Mrs. Gibson and handling the many sale jobs, Bill has, he is kept pretty busy.

Bevo

REG. U.S. PAT. OFF

A BEVERAGE

Watch !!!

We make a prediction—watch for its fulfilment. For some years, various and sundry concerns have been making beverages which are grouped under the general description of "near-beer."

Now comes Bevo—a cereal beverage, not a "near-beer," nor do we seek its sale on any basis of being an evasion of the law or of being a *substitute* for anything. It is offered purely for what it is—a delightful, wholesome and nutritious drink.

Bevo met with instant and *complete* success. A whirlwind success.

Surely there must be something special about Bevo that has won this success. That something is not the shape of the bottle or the beauty of the label but the goodness of the contents of the bottle.

We anticipate some beverages will be offered in a way to make the appearance of the package look as much like the Bevo bottle as possible. The intention is obvious.

But *you* don't taste the shape of a bottle—it's the flavor of the contents of the bottle that you must depend upon for enjoyment.

Then beware of impersonators—don't be satisfied to try to identify Bevo by the shape of the bottle alone—

Look !!

There are these certain identification marks that are your protection against imitations. Not just imitations of the product, remember—but those more insinuating imitations which try to deceive you by putting an old failure into a bottle similar to a new success. So look for these unmistakable marks of the genuine Bevo—demand that the bottle be opened in front of you, then—

Look for the Seal → SEE THAT CROWN BEARS THIS FOX CAUTION SEE THAT THIS SEAL IS INTACT

See that it is unbroken covering the Crown Top

Look at the Crown Top, and see that it bears the Fox

Be sure the Bottle bears this Label

Have you tasted Bevo? Then you know that nothing can satisfactorily take its place. If you haven't tasted it you should learn what it is and all that it offers you.

Bevo is an all-year-'round drink. You cannot enjoy Dutch lunches, Welsh rarebits, oysters, clams, lobsters, sausage, cheese, and many other such delicious edibles without partaking of a little Bevo. Give it a trial and see if this prediction is not true.

Listen !

Bevo is a pure drink; is strictly non-intoxicating. This means more than that it contains pure and harmless ingredients—it means that though you might often well be afraid of possible germs in milk or water, Bevo, being a pasteurized product in sterilized bottles, is absolutely free from bacteria.

Bevo is a nutritive beverage—the fine cereals from which it is made give it this quality.

Bevo is a delightful and refreshing soft drink—unlike any you have ever tasted—indeed a Triumph in Soft Drinks.

You should hear the comments of people who have tasted and who know Bevo. They all—men, women and children—have a good word to say about Bevo's good qualities. We feel that we can say this with assurance, not only because of the wonderful sale we have had on Bevo but because of letters on letters received, congratulating us on the product.

You can't get these good qualities in anything but Bevo—demand the genuine.

You will find Bevo at inns, cafeterias, restaurants, groceries, department and drug stores, soda fountains, dining cars, steamships, canteens, soldiers' homes, navy, and other places where refreshing beverages are sold. Your grocer will supply you by the case.

"A 'TEXAS STEER" TONIGHT

Five Reel Attraction at Fern Gives Misadventures of a Texan Sent to Congress.

The Fern theatre has secured "A Texas Steer," a Selig Red Seal play in five reels as the attraction for tonight. This multiple reel comedy is based on the Hoyt success of the speaking stage and its story tells of the mis-adventures of a Texan who is sent to Congress in Washington by the people of his home town. The love affairs of his daughter, Bossy, the promise of the man who "swung" the negro vote toward him at the election that a certain colored man would be appointed Minister to Dahomey as a reward for his efforts in influencing the colored population, the investigation started by the folks back in Texas to learn whether Maverick has been connected with a graft scandal or not and the workings of several confidence people play an important part in the development of the story. In the end all finishes just as it should, though even in this one serious moment there are touches of comedy that are sure to draw laughs.

VOLUME 7. MARYVILLE, MISSOURI, SATURDAY, MAR. 3, 1917. NO. 234.

H. S. IS DEFEATED

BENTON HIGH SCHOOL VICTORIOUS IN FAST GAME, 27-20.

LARGE CROWD ATTENDS

Game Remarkably Clean, Only Twelve Fouls Being Called, Six for Each Team.

Before the largest crowd attending a High School game this year the Maryville High School team went down to a 27-20 defeat in a hotly contested game with Benton High School of St. Joseph.

Both teams played fast basketball. In spite of the fact that both teams were out for blood, the game was remarkably clean, only twelve fouls being called, six on each team.

Lichtenberger of St. Joseph and Director Hanson of the Normal officiated, and there was no complaint whatever. The attitude of the crowd also was sportsmanlike, no hooting, no hissing, just enthusiastic high school rooting.

The game started shortly before 8:30 o'clock after a short preliminary game between the Freshmen and Sophomore teams of the High School. The Maryville team lined up in the usual way except for the substitution of Hutchison for Egley who was under the doctor's orders not to play. Neither Condon nor Pickens were in shape to play, and predictions were freely made that Maryville would be swamped.

But in spite of the loss of their all-star goal-shooter and the poor condition of others, the Maryville five were in there fighting from the time when Referee Hanson opened the game until the timers declared it at an end. Most teams, under the same condition, would have been "toes up" even before the game started. But not so with the Maryville quintet.

It was two or three minutes before either side scored. Then Thrailkill of Benton put his team two points in the lead with a field goal. The count was tied when Hutchison eluded his guard and slipped in a basket for Maryville. A moment later Holmes made another and Maryville was in the lead, 4-2.

Then something broke loose. When the smoke had cleared away it was seen that the Benton five had made five field goals and were away out in front. Then Maryville recovered and from that time forth, they played rings around Benton on floor work. Except for that momentary streak, Maryville not only outplayed Benton but also scored more points.

During the rest of the half Maryville scored seven points to Benton's four. The score then stood 16-9 in favor of Benton.

The second half Maryville started with a rush. They scored the first goal and kept the ball in their possession most of the time. Time and again the ball was worked within shooting distance, but Egley wasn't there to make the shots good. Both teams scored eleven points in the last half. The final score was 27-20.

The most notable feature of the game was the playing of Groppe for Maryville. Pitted against the highly touted Cole, the star of the Benton team, he scored five field goals and bore the brunt of the floor work for Maryville.

Holmes shot two field goals and got two free throws out of six chances. He also played a good floor game. Hutchison and Woodward each made one field goal. Martin and Condon, who replaced Hutchison in the last part of the game, failed to score but both played good floor games.

For Benton, Thrailkill was the heaviest scorer. He made six field goals, all in the first half. Cummings shot two baskets and made one foul goal out of four chances. Cole scored five field goals and missed two free throws.

The line-ups for the two teams were as follows:

Maryville—Forwards, Holmes and Hutchison; center, Groppe; guards, Woodward and Martin.

Benton—Forwards, Thrailkill and Cummins; center, Cole; guards, McCauley and Hamilton.

Substitutions: Maryville, Condon for Hutchison. Benton: Utz for McCauley.

Officials: Hanson and Lichtenberger.

WILL TAX INSURANCE MEN

City Council Orders Ordinance Drawn Up in Order to Increase City's Revenue.

An ordinance to tax the insurance companies operating in Maryville was ordered drawn up last night by the City Council at the regular meeting last night. This is one of the measures to be adopted by the city to increase the revenue so that the expenses may be met.

The "City Fathers" also ordered Ordinance No. 441 to be revised and to cover all vehicles in the City of Maryville.

The police report showed that eight arrests had been made during the month of February. The other reports were as follows:

Mayor Robey reported $146.75 turned into the different funds during February.

The street commissioner reported that the expense for keeping up the streets during the month of February was $26.50.

The city collector reported $884.95 collected.

The city weighmaster said that $12.81 had been collected by him.

SIGNED ATTRACTION FOR FAIR.

Manager A. O. Mason is Busy Getting Free Attractions for the Fair.

A. O. Mason, manager of the Maryville Nodaway County Fair, announced this morning that he has signed up Blanche McKinney Hunter and her trained horses for the fair, which is to be held the week of September 3 to 8. He made the following statement regarding the short ship circuit:

"Why should we change our fair dates? For the benefit of our friends and patrons, we want to make known to the public why we don't care to change the fair dates. In the first place we follow the Des Moines fair; second, it is labor week; third, it is the best time in the year to have the fair. If we had it sooner our farmers would not be ready for it.

"After the first year we were in the Southwestern Short Ship circuit, for the purpose of being benefitted as to getting horses from that circuit, but after being in it two years we found out that we were to a great expense and received no benefit from it, for the reason that the fair started at Corning, then Bedford, Clarinda, Shenandoah, which was the last meeting in the circuit that had any runners, then came Malvern without any gallopers, only a few harness horses and by the time it reached our dates the horses would be scattered so we never did receive any horses from that circuit.

Therefore we did not go to the meeting, did not care to belong to that circuit any longer We are in better shape for race horses, harness horses than ever before as our dates do not conflict with any of the best fairs, as we follow the following week of the best fairs in the Northwest, being Des Moines, Pattonsburg, Trenton, and even Maitland, the week before ours. Then comes Bethany following, then Brookfield. With this explanation we hope our friends will understand it. We have already contracted for quite a good many free attractions."

MISSOURI'S WEALTH INCREASES.

Value of Real Estate and Personal Property $69,618,553, This Year.

Special to The Democrat-Forum.

Jefferson City, Mar. 3.—The valuation of real estate and personal property in Missouri has increased $69,618,553 within the last year, according to tax assessor's figures presented to the state auditor's office here yesterday. These show the present value to be $1,771,556,075. The reported increases are largely upon city property.

E. J. Howland, city clerk, is ill at his home with a severe attack of la grippe.

ORCHESTRA COMING HERE APRIL 17 AND 18

ARRANGEMENTS MADE FOR APPEARANCE OF ORCHESTRA.

P. O. Landon Sent Word to Company Refusing Contract But Terms Were Finally Agreed Upon.

The Minneapolis Symphony Orchestra will come to Maryville April 17 and 18 according to arrangements made today between Wendell Heighton, manager of the orchestra, who was in Maryville, and P. O. Landon.

Professor Landon sent word to the company yesterday that owing to the lack of support Maryville would not have the orchestra this year. But when Mr. Heighton came today terms were agreed upon which will make possible the appearance of the orchestra in Maryville.

The concerts to be given by the orchestra will probably be given in the Normal auditorium. A concert will be given on the evening of April 17, a matince concert on the afternoon of April 18, and an evening concert of April 18.

There are fifty-four members of the orchestra, which is supported by the citizens of Minneapolis. They have been making a tour of the Pacific coast states and are now on their way back east.

MUST DECIDE BAND MATTER

Maryville Commercial Club Will Discuss Plans for Keeping Fourth Regiment Band Here.

Maryville will have to decide and decide quickly whether she intends to keep the Fourth Regiment band in Maryville. The matter will be taken up at the meeting of the board of directors of the Commercial club at their luncheon Monday, and it is hoped that some plan may be devised to arrange for the band permanently in Maryville.

Bandmaster T. B. Maulding is anxious to remain in Maryville, and feels that with time and effort, the band could be recruited to its full strength, and made as good as it is at present after the practice on the border. But he will have to have a salary before he will consent to remain in Maryville.

St. Joseph is anxious to have the band, and didn't want Mr. Maulding to consider Maryville in looking for a location for the band, but the bandmaster is well satisfied to live in Maryville and wants her to have the first chance to keep the band.

The boys made a very favorable impression while they were in Maryville during the home-coming reception, last Thursday and their concert was highly appreciated. The business men of the town immediately began to talk of the possibilities of keeping the band here, and it is probable that they will heartily support any movement launched by the Commercial club for this purpose.

MAKE A SUCCESSFUL SALE

F. C. Barber and Sons Sell 27 Head to Texas Cattle Company.

F. C. Barber and sons of Skidmore made a most successful sale yesterday when they disposed of twenty-seven head of Shorthort cattle at the S. M S. Texas Cattle Company of Stanford, Tex. The cattle consisted of cows, heifers, bulls and calves, and are said to have brought the biggest prices received in the vicinity of Skidmore for some time. The Barbers are having exceptionally good luck with their herd and are rapidly climbing to a top place among the Shorthorn breeders of Nodaway county.

Mr. Dougan Returns.

Mike Dougan, deputy county clerk, who spent several days looking after business interests in Clarks, Neb., returned to Maryville yesterday afternoon.

Other Teachers Here.

About eighty teachers are writing on the examinations which are being held at the Maryville Business College today. Seven new teachers arriving for today's quizzes. They are Claire Davis of Ravenwood, Ruth Miller of Blanchard, Ia., Nora and Margaret Felix of Clyde, Blanche Bloomfield of Ravenwood, Hattie Hutchison of Hopkins and Grace Norris of Maryville.

MAY JOIN ENTENTE OFFER INDUCEMENTS

CHINA ASKED TO CAST HER FORTUNES WITH THE ALLIES.

Remission of the Boxer Indemnity and Revision of Tariff is Promised To Her.

Special to The Democrat-Forum.

Pekin, Mar. 3.—The course that German-American relations take within the next week undoubtedly will have much to do with the success of the Entente's efforts to bring China into the war against Germany. A definite promise by the Allied powers that the Boxer indemnity payments will be suspended during the war has strengthened the Allies' cause materially, but many officials advise the governments to await action by the United States.

Peking, March 3.—The French minister and the Belgian charge d'affairs, representing the Entente allies, have invited China to enter the war, offering her remission of the Boxer indemnity and a revision of the tariff as inducements. A cabinet crisis is imminent. The vice-president and the premier are urging China to join the Entente.

The president is receiving much criticism for opposing immediate action. He gave out an interview today saying he preferred to act with the United States and other neutrals, but that he was willing for China to join the Entente if parliament approves.

Dr. Wu Ting Fang has resigned the portfolio of foreign minister, assigning deafness, the result of a recent illness, as the cause.

Washington, March 3.—Negotiations looking to China's entrance into the war against the Central powers now are in progress at Peking and in all the Entente capitals, it was learned here yesterday and their success depends only upon the harmonizing of the reward with the amount of co-operation demanded. It is regarded as practically certain that China will sever relations with Germany and declaration of war probably will follow if the Entente will guarantee sufficient relaxation of the restrictions imposed after the Boxer troubles.

Facts learned yesterday from official and diplomatic circles serve to clear up the obscurity which has overhung recent vague dispatches from China and references in the Reichstag to "China's abandonment of neutrality."

China desires to secure the complete remission of the Boxer indemnities, which total over $30,000,000 a year and continue until 1940. If she entered the war, the part which otherwise would be paid to Austria and Germany could be repudiated. Information here indicates that the Entente already has agreed to postpone payments in case China begins hostilities, but does not corroborate Tien Tsin advices that the powers have offered complete remission. The sum involved is such an appreciable part of China's total expenses that a satisfactory agreement might well remove her financial difficulties.

China also desires consent to increase her import duties, which the existing treaty limits to 5 per cent ad valorem on the average prices of 1897, 1898 and 1899. The United States has long urged this on the other sixteen signatory powers, but so far only Japan and Great Britain have given full consent.

The Entente powers on their part are anxious to have China in the war, not only as a reservoir of men, but as the biggest open trade market after the war. Already more than 100,000 Chinese laborers and agriculturists have gone to increase the Entente's man power, the great majority to France.

2 MORE RECRUITS LEAVE.

Dale Hadley of Iowa and Charles Ellis of Conception to Enter U. S. Army.

Two more recruits, Dale Hadley of Iowa and Charles Ellis of Conception left last night for Jefferson Barracks, St. Louis, where they will enter the United States Army. Mr. Hadley will join the infantry and Mr. Ellis will join the quartermaster's corps as auto driver.

Captain O. R. Cole, assisting recruiting officer at the Kansas City station, visited Maryville last night and praised the local recruiting officers for their work. He said that if the enlistment continued, Maryville would be made a central recruiting station.

HIS OWN SUCCESSOR EXCITEMENT IN SENATE

PRESIDENT WILSON WILL TAKE OATH OF OFFICE TOMORROW.

Never Since the Spanish-American War Days Were the Members So Wrought Up.

Special to The Democrat-Forum.

Washington, Mar. 3.—The President will take his oath of office as his own successor at noon tomorrow. The President signed the emergency revenue bill at the White House today. The measure carries $450,000,000 for the depleted treasury.

Debate Waxes Warm.

Washington, Mar. 3.—The debate in the Senate this afternoon on the arming of American merchantmen bristled with warlike utterances. Senator Fall of New Mexico, urged an open declaration of war within fifteen minutes. Senator Brandegee of Connecticut, declared that Germany had already in effect declared war on the United States. He advocated giving the President full power to carry hostilities to a successful conclusion.

Not since the Spanish war days has the Senate been in such a scene of excitement. Senator Brandegee dramatically said, "Our honor and our liberty is at stake, and the country that won't fight for them deserved to perish. I believe that this country will fight." Extra guards were necessary to hold the crowds back.

Military Attache Killed.

Washington, Mar. 3.—Major Elvin R. Heilberg, the American military attache to the embassy at Rome, was accidentally killed while making a tour to one of the Italian battle fronts, the war department was notified today.

The President signed the postoffice appropriation bill containing an amendment which bars from the mails publications containing liquor advertisements.

Mrs. John Dawson Ill.

Mrs. John Dawson was taken to St. Francis hospital last night and was operated on by Dr. Will Wallis and Dr. C. T. Bell. Her condition is extremely serious.

Files Maintenance Suit.

Mattie Lanning filed suit in the office of the circuit clerk today for separate maintenance. She charges that her husband, Bert Fanning, abandoned her, and prays that the court allow her $40 a month for maintenance and see that reasonable security be given that the money will be paid.

C. C. Leeson spent yesterday in Shenandoah on a business trip.

BAPAUME CAMPAIGN A ZEPPELIN BLOWS UP

BRITISH GENERAL TRIES HARD TO FORCE GERMANS OUT.

German Air Craft, On Trial Trip Destroyed, Ten of Its Crew Being Burned Alive.

Special to The Democrat-Forum.

London, Mar. 3.—General Haig has begun a campaign to squeeze Germans out of Bapaume. North and south of the German stronghold the British are attacking in an effort to throw a noose about the town and to force its evacuation, using the same tactics employed so successfully by the French and British in the capture of Combles. Today's dispatches from the front confirm yesterday's reports that Germans halted their retreat and were making a stand.

New Zeppelin Blows Up.

London, Mar. 3.—One of Germany's newest Zeppelins blew up while making a trial trip over Belgium Monday. Ten of its crew were burned alive, according to Amsterdam dispatches.

Will Mistreat French Prisoners.

Berlin, Mar. 3.—Declaring that France had failed to heed Germany's protest against the ill treatment of German prisoners, War Minister Stein announced in the Reichstag today that they would take counter measures against French prisoners at once.

Seeking German Submarines.

Havanna, Mar 3.—A United States destroyer is searching the adjacent waters because of an unconfirmed report that German submarines are lurking in the vicinity.

Mrs. Black's Cousin Dies.

Mrs. R. M. Black of Maryville received word this morning of the death of Judge H. E. Deemer of Red Oak, Ia., who died Tuesday morning following a two weeks' illness. Mr. Deemer is judge of the supreme court of the state of Iowa and is a cousin of Mrs. Black.

GERMANY ADMITS TRUTH OF CHARGES

ZIMMERMAN TRIES TO JUSTIFY ACTION TO UNITED STATES.

HE SAYS THAT WE TRIED SIMILAR PLAN

Declares That Our Government Attempted to Align South America Against Germany.

Special to The Democrat-Forum.

Berlin, Mar. 3.—Virtually admitting the truth of the charges made in the United States that Germany plotted to secure the aid of Mexico and Japan in the event of war with the United States, Foreign Secretary Zimmerman today justified such action on the ground that the United States tried to array the Southern Republics against Germany.

The Secretary's admissions were contained in a statement made to a staff member of the Trans - Ocean News Agency. He didn't deny or confirm the authenticity of the so-called "Zimmerman" letter, purporting to contain his own proposal to the German Minister in Mexico City that asked Carranza to persuade Japan to join in war on the United States in the event of hostilities. He asserted that such a course was thoroughly justified not only as a precautionary measure, but also because the United States made a similar attempt to array other countries against Germany.

No Response From Officials.

Washington, Mar. 3.—The attempted justification by foreign minister Zimmerman of Germany's efforts to line up Japan and Mexico against the United States found no response in official circles today. The insinuations by Zimmerman that there was justification in the activity of the United States in South America, met with a sharp denial by the government who has facts to show that Zimmerman's accusations are utterly false. These records hav been open to the entire world for months.

HIGH SCHOOL NOTES
By "Press"

Maryville High School has now joined the ranks of schools with permanent school pins. The pin committee which was formed at the beginning of the term to select suitable designs reported Wednesday morning and submitted several designs for the consideration of the student body. A vote was taken which resulted in favor of a pin designed by Lieber Holmes of the Holmes Jewelry company.

The design chosen is a reproduction of a portion of the front of the High School building including the two towers and the front entrance. The letters M. H. S. and the numbers '17 are embodied in the design. The board of education will sign a four year contract with the manufacturers of the pin.

The High School orchestra which has been practicing under the direction of Miss Dora Carpenter gave a program at assembly Thursday afternoon. The four numbers they played were so enthusiastically received by those present that they were forced to respond to an encore. The orchestra is better now than it has ever been, and visitors present were very much impressed.

The program given was as follows: March, "U. S. Cavalry;" Overture, "Magic Fire;" Descriptive March, "Got 'em;" One-step, "Levee Land;" One-step, "Whistling Rufus;" (encore)

A pep assembly was held Friday afternoon at which the plans were completed for the parade advertising the game with Benton High of St. Joseph. The parade was formed at the Burlington depot on the arrival of the special train from St. Joseph.

Clarence Cook in military uniform rode at the head of the procession as marshal-of-the-day. Other equestrians assisting him were Virginia Robinson, Mary Carpenter, Chilton Robinson, and Martin Lewis. The Dutch band followed in a big bus and then a long string of cars, Fords, and otherwise. The Benton delegation of 200 rooters brought up the rear.

COMMUNICATION

(A Farmer's View Point).

Editor Democrat-Forum:

We noticed in the Tribune of February 19, 1917, an article on beautifying the city in which it starts with a wail to remove the hitchracks the first thing. It says the hitch-racks were taken down once, but put back. I know the hitch racks were put back by the order of Judge Frank Rogers and to the joy of the farmers, who, by their thrift and enterprise made this city and keep it alive.

Mr. Hull says that some prominent business man declared there was no use in attempting a city beautiful as long as these relics (hitch-racks) of a forgotten age, were allowed to remain. I will promise you that they will stay.

There is nothing too good for the farmer, and to the farmers is the credit of the fine city of Maryville set on the hill so that her light might shine afar up and her good works be spoken of in other lands.

If the farmers should trade in the fine little towns of the county, and stay away from Maryville for a year, the bats and owls would be nesting in some of the business houses.

The horses are not all dead yet. You will find the hitch-racks at the court house and at all of the churches nearly full every Saturday, and plenty of horses at the court house every day.

In the Maryville Tribune of February 20, 1917, we see a squib giving a farmer's views on the hitch-rack question. We would like the names of the people the Tribune quotes, who say that the people of Maryville should vote bonds to buy a plot of ground for the hitch-racks for the farmers. The farmers are very well pleased with the racks where they are. We predict that the racks will stay where they are long after Brother Hull is called up higher.

No bonds will be voted for any such a purpose. I don't think you could vote a bond proposition for a cemetery unless the dead were lying around with no place to bury. The people have not forgotten the $50,000 bond issue, and the way the people worked to have it carry, and the way the money was used.

H. J. Major said that the hitch-racks should go. I would like to know what busfness it is of his. He commends the Commercial club for its efforts in making Maryville a beautiful place to live in. I would like to know what the Club does to beautify the city. None of the club members mows my park or clean my alley. I do that, and all of my neighbors do the same. We, the people, beautify the city, not the Commercial Club.

If the club wants something to do let them look on the different streets and they will find old wagons and other rubbish to be hauled away. In the good old summer time the club can find plenty of weeds along the streets making them look like jungles in Africa.

Mr. Major believes the hitch-racks are unsanitary. I don't believe a word of that. I will point out Reuben Young, Robinson Craven, Judge Blackford, Preston Seafers, Billy Workman, and many others that fed cattle for from thirty to thirty-five years and waded in their cattle lots off and on all winter and spring, half boot top deep in manure, and they are all healthy men and look as though they might live to be one hundred years old.

—Cooper Gooden.

FITE AND HAWK ARRESTED

Two Men Arrested in St. Joseph In Connection With Theft of Motor Car in Omaha.

What is believed to be a far-reaching combination of automobile thieves whose operations embrace St. Joseph, Omaha and Kansas City, is being investigated by Chief of Detectives Johnson and his force since the arrest of Henry Hawk and Page Fite in connection with the disappearance of a car from Omaha Wednesday evening, says the St. Joseph News-Press.

The two men who are held at police headquarters were arrested yesterday afternoon at Eighth and Olive streets by Detectives eKlley, Duncan, Foster Watson, and Henley. They are alleged to have been in possession of a 1917 model Ford touring car, which bore a Nebraska license tag numbered 42489. They were headed for Kansas City, the police say, and all identification numbers on the car had been obliterated.

Chief of Detectives Johnson, who was in communication with Omaha authorities this morning, was informed that Hawk had just been released from jail there the day the car disappeared, having been convicted of a similar offense.

Late yesterday afternoon Chief of Detectives Johnson called the secretary of state's office at Lincoln, Neb., by telephone and was informed that the license number 42489 was recorded there in the name of J. Griffin. This led the police here and in Omaha to suspect that Griffin had merely taken out th license for use in this way. They think somebody is financing a gigantic scheme to steal cars and get them out of reach in a hurry, then sell them.

Rudolph Probst of Omaha, owner of the car found here, came to St. Joseph this morning and identified the machine.

An officer from Omaha is now on the way here with requisitions for the suspects. Hawk and Fite are both Missouri young men, it is said.

Miss Pauline Schafer, who has been visiting the past few weeks at the home of her uncle, A. M. Schafer and family, left last week for Mitchell, S. D., where she will begin a spring term of school next Monday.

RAVENWOOD GAZETTE.

Mr. Bruce Hanks of Memphis, Mo., has bought the S. P. Ross property, and will move here March 10. Mr. Hanks lived in this county a number of years ago and this entire community extends to him a hearty welcome. The price paid was $1,500.

Mr. and Mrs. J. E. Winslow loaded their car with household goods and farm implements and moved to their new home in Hamilton, Mo. Here's wishing them success in their new home.

CLEARMONT NEWS.

C. W. Foreman and Clark Brownfield, while hauling hay one day last week, had a load tip over with them. Clark got off with a few bruises only, but C. W. had one of his ankles so badly sprained and bruised that he has had to go around on crutches for several days.

F. L. Wiley and wife of St. Louis, arrived here Sunday to visit Mr. Wiley's parents, Dr. Wiley and wife. Mr. Wiley went to Kansas City Monday morning to attend the National Educational Association and will return here the last of the week. His wife remained here with his parents.

John Loomer, from near Sheridan, will farm the W. S. Wallace place west of town this year. He moved several loads of his goods here Friday, making the trip in one day, arriving here between 9 and 10 o'clock at night. Mr. Loomer is a son-in-law of Mr. Lewis, who recently bought the farm.

ELMO REGISTER.

H. W. Meek is moving this week from the Boone property to the Kinman property recently vacated by Geo. T. Clardy. It is a good place to live and handier to business than where they formerly lived.

In a talk with C. H. Kinman Monday, he expressed the opinion that the wheat crop is all right at present, he having made a pretty thorough examination It is to be hoped he is right about this, as a good wheat crop is needed. March is supposed to be the worst month, and if we pass that we may have a good crop.

J. D. Tudder brought in a Register dated March 16, 1894, from which we glean some items of interest. Dan R. Baker was the editor and owner, the paper was a four-page, six column sheet, with the inside of ready-print.

BARNARD BULLETIN.

The sale of George Sell was well attended Saturday and things sold well. Cows brought $130 and corn brought $1.05.

C. E. Goff was exhibiting a very wonderful diamond pin the other day. Pill Miller stole the dime and Charley has left only the pin now.

S. A. Roach tells a tale about Earl McCleave running a Ford into a ditch while coming from St. Joseph a week ago Sunday. Just why it was not told earlier, we suppose, is because his companions did not wish to hurt Earl's reputation as a driver.

Chance Parrish was in town Tuesday and said that he was planning an addition to his house just north of town. He further said that he was going to buy a car and get married. We cannot understand the last statement as he is not out for any township office, so it must be the truth. When it happens Chance, we will be the first to congratulate you.

BURLINGTON JUNCTION POST.

Mrs. L. L. Hart returned from Clarinda, Ia., Saturday, where she had her little daughter in the Kennelworth hospital for treatment for pneumonia. Mrs. Hart also suffered an attack of pneumonia a few weeks ago.

A railroad conductor at Decatur, Ill., is playing one hundred thousand games of solitaire. He is unmarried and spends his evenings at his club playing the game almost constantly. If that wouldn't make a lunatic of a man, we don't know anything that would.

Mrs. Mary Kinman is spending a few days at the home of her son, G. L. Yaple, while her household goods are being moved from Elmo to Braddyville, where she will make her home.

L. L. Hart sold seven Shorthorn bull calves from his herd this week to a Utah buyer for $1,500. The calves had never received any special care, being allowed to run in the lot with the other stock. They were of good breeding, however, which brought the high price.

Mr. and Mrs. Frank Sallee have moved from Maryville to the 80-acre farm they purchased recently of Ora Griffey near Wilcox.

SKIDMORE NEWS.

J. A. Britton, who purchased the J. C. Collins farm, northwest of town, moved there the first of the week. Mr. Britton has been living southwest of Quitman.

J. E. Strickler returned from Colorado Tuesday, where he had been for several days buying hogs. He purchased four loads, which came in Monday. Only one load was received

Well, there isn't any of him yet, but our present governor seems to hold the club over the legislature to do his bidding until his pet measures are on the toboggan of success there will be four commissioners.

It looks as though the present administration is headed for something more than getting out, doning a pair of overalls and hollering up and down the state about good roads and nothing to build them with.

PARNELL SENTINEL.

Orlie Kidney, who used to mend shoes in Parnell about five years ago was a visitor Friday evening and Saturday morning. He has a homestead in Wyoming, but has been visiting near Denver for several weeks.

Mrs. Valeria Watts of Bogard, Mo., arrived here a few days ago on a visit of two or three weeks with her brother, Myron Hindman and family. This was the first time they had seen each other in fourteen years.

Mrs. Horace Jones arrived home Thursday noon from a few week's visit with relatives and friends in Juarez, Mexico, El Paso, Texas, Ft. Worth, Texas, and Cordell, Okla. She reports having a splendid trip.

HOPKINS JOURNAL.

George Porterfield is fifty-six years old but doesn't look a minute over forty-six. However, Roy McMullen says he plays "42" like an old man. Roy was at a party given by Mrs. Porterfield in honor of her husband's birthday, and knows how he plays the game.

Al V. Dresher, a former Hopkins boy, and a nephew of Frank Hamilton, north of town, has been appointed to the military staff of Governor Neville of Nebraska with the rank of colonel. Col. Dresher has made a wonderful success as a business man in Omaha and also takes interest in politics, being a pronounced Democrat but as he is young in years, there is a chance for him to outgrow his diseased political state of mind. Anyway, here's congratulations from an old friend, Colonel.

Chas. Bebout, the well known stock man, this week bought the H. M. Glass property, the old Philip Dale place, in east Hopkins, the consideration being $4,000. Mr. Bebout has been bothered with heart trouble lately and it is thought he will leave the farm and occupy the newly acquired property, thus being able to take the world a little less strenuous than he has during the last several years.

The Robert Hook property in east Hopkins that was put up at public sale last Saturday, was bid in by Harry Bollinger for his mother, Mrs. Ella C. Bollinger, the price paid being $2,860. The three acres of pasture land at the north edge of town was bought at private sale by Leonard Whitten, at $200 an acre.

GUILFORD TIMES.

Mrs. Linda Heffner of Wakena, Kan., came in Saturday evening for a visit with her uncle G. C. Covey and other relatives and returned home Tuesday. Mrs. Heffner came from her home nearly a month ago in response to information that her son up near Eaglesville, in Harrison county, was to be operated on for appendicitis and on his return home from the St. Joseph hospital she has been visiting around with friends in this section. Mr. Covey had not seen her in twenty years so her visit was marked with great interest by him and other kinfolks.

We read where Mrs. W. B. Gibson, wife of our popular auctioneer, had the misfortune to break one of her legs last Tuesday, week, which makes it doubly hard on her for the reason that she always was a cripple in that member. Between caring for Mrs. Gibson and handling the many sale jobs, Bill has, he is kept pretty busy.

Don't sign your name to an agent's order for nursery stock when you can buy true to name stock near home. State inspected, fully guaranteed direct from the reliable Murray Nurseries of Oregon, Mo., and save agents' commissions.

Mrs. Frank Spencer arrived in Maryville last night for a visit with her parents, Mr. and Mrs. W. L. Ruddle.

Bevo
REG. U.S. PAT. OFF
A BEVERAGE

Watch !!!

We make a prediction—watch for its fulfilment. For some years, various and sundry concerns have been making beverages which are grouped under the general description of "near-beer."

Now comes Bevo—a cereal beverage, not a "near-beer," nor do we seek its sale on any basis of being an evasion of the law or of being a *substitute* for anything. It is offered purely for what it is—a delightful, wholesome and nutritious drink.

Bevo met with instant and *complete* success. A whirlwind success.

Surely there must be something special about Bevo that has won this success. That something is not the shape of the bottle or the beauty of the label but the goodness of the contents of the bottle.

We anticipate some beverages will be offered in a way to make the appearance of the package look as much like the Bevo bottle as possible. The intention is obvious.

But *you* don't taste the shape of a bottle—it's the flavor of the contents of the bottle that you must depend upon for enjoyment.

Then beware of impersonators—don't be satisfied to try to identify Bevo by the shape of the bottle alone—

Look !!

There are these certain identification marks that are your protection against imitations. Not just imitations of the product, remember—but those more insinuating imitations which try to deceive you by putting an old failure into a bottle similar to a new success. So look for these unmistakable marks of the genuine Bevo—demand that the bottle be opened in front of you, then—

Look for the Seal →

See that it is unbroken covering the Crown Top
Look at the Crown Top, and see that it bears the Fox
Be sure the Bottle bears this Label

Have you tasted Bevo? Then you know that nothing can satisfactorily take its place. If you haven't tasted it you should learn what it is and all that it offers you.

Bevo is an all-year-'round drink. You cannot enjoy Dutch lunches, Welsh rarebits, oysters, clams, lobsters, sausage, cheese, and many other such delicious edibles without partaking of a little Bevo. Give it a trial and see if this prediction is not true.

Listen !

Bevo is a pure drink; is strictly non-intoxicating. This means more than that it contains pure and harmless ingredients—it means that though you might often well be afraid of possible germs in milk or water, Bevo, being a pasteurized product in sterilized bottles, is absolutely free from bacteria.

Bevo is a nutritive beverage—the fine cereals from which it is made give it this quality.

Bevo is a delightful and refreshing soft drink—unlike any you have ever tasted—indeed a Triumph in Soft Drinks.

You should hear the comments of people who have tasted and who know Bevo. They all—men, women and children—have a good word to say about Bevo's good qualities. We feel that we can say this with assurance, not only because of the wonderful sale we have had on Bevo but because of letters on letters received, congratulating us on the product.

You can't get these good qualities in anything but Bevo—demand the genuine.

You will find Bevo at inns, cafeterias, restaurants, groceries, department and drug stores, soda fountains, dining cars, steamships, canteens, soldiers' homes, navy, and other places where refreshing beverages are sold. Your grocer will supply you by the case.

"A TEXAS STEER" TONIGHT

Five Reel Attraction at Fern Gives Misadventures of a Texan Sent to Congress.

The Fern theatre has secured "A Texas Steer," a Selig Red Seal play in five reels as the attraction for tonight. This multiple reel comedy is based on the Hoyt success of the speaking stage and its story tells of the mis-adventures of a Texan who is sent to Congress in Washington by the people of his home town. The love affairs of his daughter, Bossy, the promise of the man who "swung" the negro vote toward him at the election that a certain colored man would be appointed Minister to Dahomey as a reward for his efforts in influencing the colored population, the investigation started by the folks back in Texas to learn whether Maverick has been connected with a graft scandal or not and the workings of several confidence people play an important part in the development of the story. In the end all finishes just as it should, though even in this one serious moment there are touches of comedy that are sure to draw laughs.
